

Honor Company Point System

Each company will begin with 100 points. If a company goes by the point system they can significantly earn points. Bad participation and conduct will result in the deduction of points of a company. Companies should be trying to earn maximum points for honor company.

Uniforms:

- 60%-69% of uniform wear on inspection days will give the company 5 points.
- 70%-79% of uniform wear on inspection days will give the company 15 points.
- 80%-89% of uniform wear on inspection days will give the company 20 points.
- 90%-100% of uniform wear on inspection days will give the company 25 points.

Football Games:

- 15 points per cadet that is present and efficiently participates at the home game.
- 10 points if the company has a full roster from its own company without the help of another company.

Can Food Drive:

- The company goal is 100 cans, if the goal is met the company will receive 150 points.
- For every 50 cans collected after the first 100 cans an addition 25 points will be earned.
- A separate 75 points will go to the company with the second highest collected cans.
- 50 points will go the company with the third highest collected cans.

Parades:

- For every LET 1 that participates in a parade, the company will earn 20 points per cadet.
- For every LET 2 that participates in a parade, the company will earn 15 points per cadet.
- For every LET 3 that participates in a parade, the company will earn 20 points per cadet.
- For every LET 4 that participates in a parade, the company will earn 25 points per cadet.

Campout:

- For every LET 1 that participates in camp, the company will earn 20 points per cadet.
- For every LET 2 that participates in camp, the company will earn 15 points per cadet
- For every LET 3 that participates in camp, the company will earn 20 points per cadet.
- For every LET 4 that participates in camp, the company will earn 25 points per cadet.

Teams/Competition:

- If a cadet participates on a team and in meets, the company will earn 5 points per cadet.

Fundraisers:

- If a cadet participates in a fundraiser then the company will earn 5 points per cadet.

Other Upcoming Events:

- A company will earn 2 points for each cadet that attends other events.
- A company will earn an additional 15 points for having more than 10 cadets attend an event.

Negative points:

- Uniform: 0%-59% of uniform wear on inspection days will give the company –25 points.
- Home Games: Each cadet that doesn't appear without a reasonable excuse is –5 points.
- Battalion Events: If a company fails to have at least 30% cadets attend the event the company will lose 20 points.
- Cadets whom obtain 3 referrals from any reason, location, or class will result in their company losing 15 points. For each referral after 5 it will be increased. For example 5 referrals is 20 points, 6 referrals is 25 points, 7 referrals is 30 points, etc.

Bonus Points:

- A company will earn a bonus of 50 points if a company has a percentage of 50% or more cadets with a GPA of 2.8 or more on their report cards per quarter.
- The company who wins field day will win also earn a total of 50 bonus points
